## CAREER OBJECTIVE

Computer Science and Engineering undergraduate at RGUKT-IIIT Nuzvid with strong academic performance (CGPA: 9.19). Interested in software development, data structures, and web technologies. Seeking an internship opportunity to apply programming, problem-solving, and software engineering skills in real-world research or development environments while contributing to impactful technology solutions.

## EDUCATION

**B.Tech in Computer Science and Engineering,** 2028
*Rajiv Gandhi University of Knowledge Technologies (RGUKT-IIIT), Nuzvid* Nuzvid
Year of Study: 2nd Year Expected Graduation: 2028 **CGPA**: 9.19

## TECHNICAL SKILLS

**Programming Languages**
Python, Java (Basics), C

**Web Development**
HTML, CSS, JavaScript, PHP

**Tools**
Git, GitHub, VS Code, XAMPP

**Core CS**
Data Structures, DBMS

**Database**
MySQL

## ACHIEVEMENTS

• Earned certifications in **C Programming** and **Python Programming**, demonstrating strong programming fundamentals.
- **Smart India Hackathon (SIH):** Ranked among the **Top 50 teams**, demonstrating strong teamwork and competitive problem-solving ability.

• Achieved certification in **CTF (Capture The Flag)** competitions, gaining hands-on experience in cybersecurity and problem-solving.
• Participated in multiple **Hackathons** and secured **Runner-Up positions**, showcasing teamwork, innovation, and technical skills.

## ACADEMIC & PRACTICE PROJECTS

**Developed basic programs and mini applications as part of coursework.**
**Web-Based Resume Screening System**
• Developed a web application for automated resume screening using **HTML, CSS, JavaScript, and PHP**
. • Integrated **MySQL** database for storing and managing candidate information.
• Implemented **separate admin and user modules** for efficient resume submission and management.
**Programming Practice Projects**
• Implemented programs in **Python and C** covering **data structures** such as arrays, stacks, and searching algorithms.
• Improved **problem-solving and debugging skills** through continuous coding practice.

## STRENGTHS

- Strong academic performer with consistent results
- Good analytical and problem-solving abilities
- Ability to adapt quickly to new technologies
- Quick learner with a growth mindset
- Self-motivated and disciplined

## SOFT SKILLS

- Clear and effective communication
- Team collaboration
- Time management and organization
- Positive attitude and eagerness to learn
